Young Rembrandts Art Program

At Young Rembrandts, we believe that all children can and should learn how to draw. Just like math and science, drawing can be taught and is essential to creative and critical thinking. Our unique step-by-step method guides children to complete a masterpiece each class. Be sure to join us today as we explore various kid-friendly themes in our curriculum that increases confidence and boosts self-esteem while developing drawing technique and skill. We have multiple sessions throughout the year at Bedford ES, Woodholme ES, Wellwood ES, Winand ES, Milbrook ES, Fort Garrison ES, and Summit Park ES. Seats are limited and registration is on a first come, first serve basis. Don't delay—sign up today at www.pikesvillerec.org.
